**XI. Proposed CY 2019 OPPS Payment Status and Comment Indicators**

**A. Proposed CY 2019 OPPS Payment Status Indicator Definitions**

Payment status indicators (SIs) that we assign to HCPCS codes and APCs serve an important role in determining payment for services under the OPPS. They indicate whether a service represented by a HCPCS code is payable under the OPPS or another payment system, and also, whether particular OPPS policies apply to the code.
