

Matthew R. Koppitch

Senior Associate

Matt Koppitch uses extensive experience, spanning all levels and branches of government, to deliver results for clients who cover multiple industries and sectors. Touching on policy areas from economic development, energy, health care, taxation and more. Matt counsels and advises clients, candidates and ballot campaigns on outreach, policy development, communications and political strategy, as well as compliance and ethics guidance.

Matt combines policy with the political, helping serve the client's needs, including negotiating legislation and administrative rules, legislative and regulatory drafting, and providing legislative analysis and tracking. He also has wide-ranging campaign experience, including gubernatorial and congressional campaigns and both local and statewide ballot issues. Notably, he served a vital role in expanding Medicaid in Ohio through the Healthy Ohioans Work ballot initiative.

Matt's political acumen also serves clients in other areas of law. As a consensus builder, he has represented businesses, developers and political subdivisions in zoning, land use, annexation and other land development issues. He also uses his extensive network of relationships to assist clients in resolving complex situations.

Matt previously served as District Director for United States Congresswoman Joyce Beatty, advising on matters of policy, including financial services, banking, insurance, labor and employment, health care and more. Additionally, Matt's past experience includes the Service Employees International Union (SEIU) 1199; the Ohio Department of Commerce; the Ohio Lottery Commission; and the Ohio Governor's Office.

Experience

Legislative counsel

Actively represent more than 30 clients before the Ohio General Assembly, state agencies and local government entities. Longtime clients include the Association of Ohio Life Insurance Companies, the Ohio Manufacturers' Association, the Ohio Association of Physician Assistants and Northeast Ohio Public Energy Council.

Energy generation facility counsel

Represent Apex Power Group before the Ohio Power Siting Board (OPSB) for the proposed Guernsey Power Station, a 1650-megawatt, natural gas-fired energy generation facility. In 2017, the project received approval to construct and operate the facility. Our team continues to provide substantial regulatory, legislative, tax, permitting and real estate counsel. In addition, we resolved issues involving interconnection with the local transmission company and the Ohio Department of Natural Resources.

Zoning and land use counsel

Represented multiple businesses in rezonings of property to enable the growth of new business activities and development.
