41 Wyatt attorneys, from both our Lexington and Louisville offices, were recognized as Kentucky Super Lawyers and Kentucky Rising Stars. It's an incredible honor, considering that only 5% of lawyers in the state make it to the list. This recognition is based on a rigorous selection process that includes statewide nominations, peer review by practice area, and independent research. The Kentucky Rising Stars award is limited to attorneys under the age of 40 or with 10 years of practice or less. To see the full list of honorees, please click [here](#).
